

RIGGINS

CONSTRUCTION
& MANAGEMENT INC.

Riggins Construction & Management, Inc. was awarded the contract to perform all tenant improvements for the offices of Berkus Group Architects. The facility included the installation of glass block wall systems, stainless steel columns, extensive use of marble, plush carpets and ceramic tiles. Executive offices, conference rooms, print rooms, kitchen area and production space were part of the design. Custom cabinetry was installed throughout the project as well as slimline grid/2x2 ceiling systems with parabolic and track lighting.
